

Summerfields Primary School Travel Action Plan (STAP)

Our Policy

Summerfields Primary School encourages and supports the whole school community to travel more actively and sustainably where possible.

Studies show that travelling actively can help develop physical and mental well-being, social interaction, independent travel skills and good road sense. This helps ready our children for when they leave the school to go to transition into secondary education.

We currently work with a range of external providers, such as Wight Cycle Training, the 'SHIFT-IT' Awards Programme and the Isle of Wight Council, to keep up-to-date with any appropriate schemes, training or grants that help us deliver our School Travel Action Plan.

Our Current Offer

- **School Travel Action Plan** – We have a current plan that is reviewed annually.
- **Cycle Training** - We have training sessions for all ages and abilities. Bikeability is offered to Year 5 & 6 pupils.
- **Scooter Training** – We offer playground training sessions for KS2 pupils.
- **Road Safety Training** – We actively engage with National Road Safety Week, and school programmes offered by outside agencies e.g. Fire Service.
- **Storage Facilities**
Cycle/Scooter Storage – Our current storage is at the front of the school, which enables pupil's bikes to be stored safely and securely.

Summerfields Primary School Travel Action Plan (STAP)

Our Achievements in 2017-2019

We have:

- Increased the number of our community travelling actively and sustainably.
- Engaged with the 'Shift It' programme and received the BRONZE SCHOOLS AWARD!
- Offered every KS2 pupils scooter or cycling activities, including Year 6 pupils doing Bikeability training.
- Started to use the Shift-It data collection app to keep track of the school travel mode habits and trends.
- Reviewed the current STAP.
- Held an Active Travel Challenge Week in March and July 2019. Winner of a Bike Fix session.

Planning Ahead 2019/2020

We plan to:

- Offer every pupil in the school some form of cycle training – from Balanceability to Bikeability.
- Complete Active Travel Challenges, which reflects the emphasis we put on healthy and active children as well as encouraging our school community to consider the environmental impact of the school run.
- Add active travel information to the school website.
- Increase the frequency and classes using of the Shift-IT data collection app.
- Plan to add sustainable transport theme into the curriculum plan for the year to achieve the SILVER AWARD!
