Dear Parents

**RE: Google Classroom**

Thank you to all those families who have signed on to (and even sent messages) on Google Classroom.

Please check that you can log in. There have been a few issues with this and we do want to be able to help you, so this is your last opportunity.

If a class does have to go into isolation, parents will be expected (by the Government) to continue educating their children. Google Classroom is a really simple way to do this, where the teachers will continue to take responsibility for and support your children's learning.

Sign in and have a look!

Yours sincerely

*Kay Wood*
